**HELP AVOID COSTLY
RETURNS. BEFORE YOU
REMOVE THAT PART FROM
THE VEHICLE, WE ENCOURAGE
YOU TO CONTACT PWR TECH SUPPORT!**

866-990-1520

Many times, a call to tech support may avoid removing a good part, when the problem may be something else.

All PWR units are 100% tested and have installation instructions and procedures in each box.

You may also visit www.pwrsteer.com and click on the resources tab for helpful technical bulletins, videos, and additional warranty information.
