PRE-ORDER THESE 18 NEW PXR ADDITIONS

PWR STEER is pleased to announce the addition of 18 new First-to-Market PXR models to our growing list of **Installation Ready** Power Steering Pumps. These additional units cover over 10 million vehicles and eliminate the need to remove and clean the existing remoter reservoir, saving time and money. **PXR Installation Ready** Pumps are supplied with New Pulley, New Return Line Fitting, New Electronic Pressure Switch (where required) along with a **New Remote Reservoir w/Cap** in the box. These All-New Pumps are available for pre-order and should be ready for shipment in August. **Pre-orders receive 10% off and must be placed on a separate PO by Aug 15, 2021, to receive the pre-order discount.**
